

FIRE SAFETY EVACUATION PROCEDURES

1. At the time the alarm is sounded classes will line up and leave through the appropriate door and head for the assigned meeting area.
2. Teachers will take attendance and report any missing students to the Principal.
3. Individual Assistants will assist those students.
4. Teachers and paraeducators not assigned to class will assist as need be.
5. Students will walk to and from the meeting place in an orderly fashion.
6. Students and adults will remain at the meeting place until the Principal makes a decision to re-enter the building or move to an alternative site.
